Its numerous educational tools give students the additional keys they need to be successful. We provide teachers with teaching guides to complement their curriculum-based program. These fun and educational tools increase students' desire to improve their French reading and writing skills.

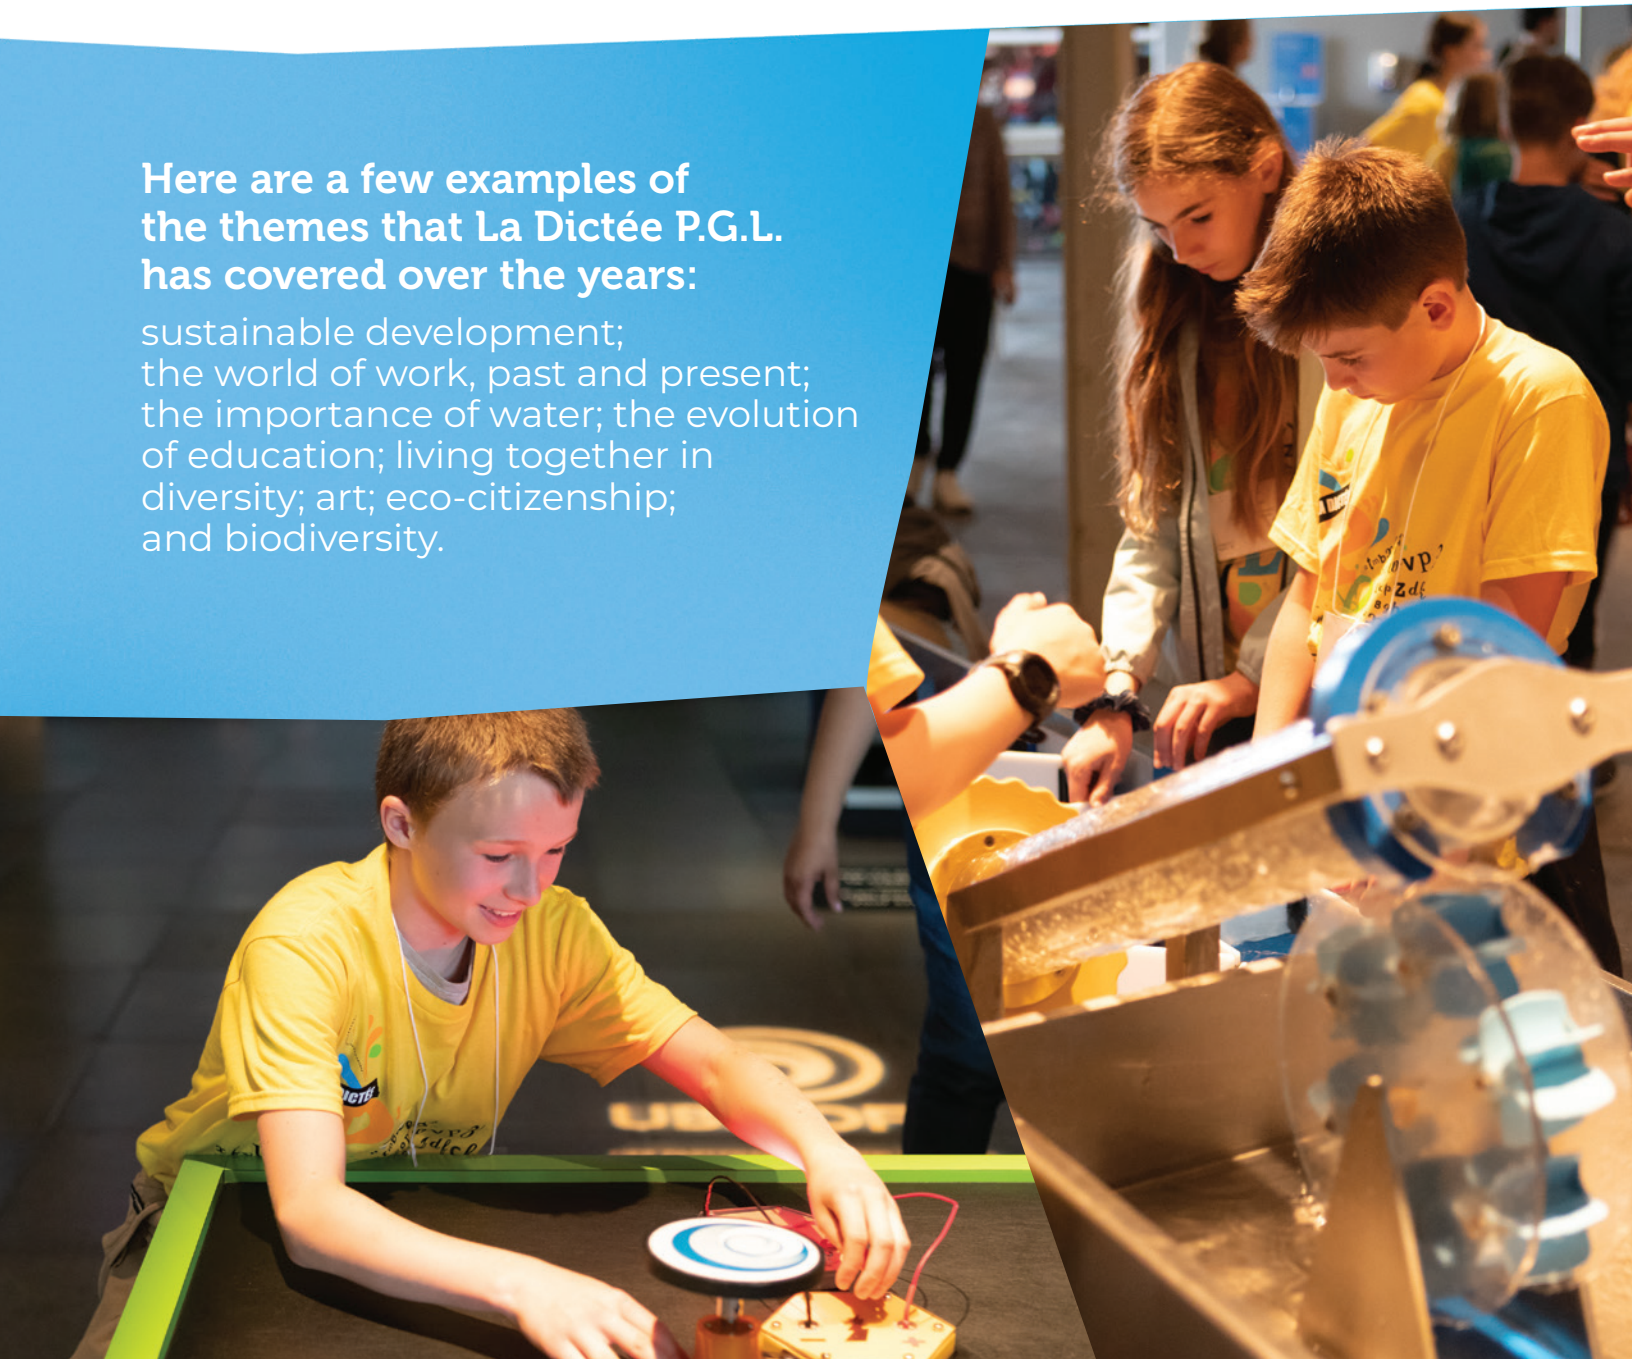

Schools can also use the project as an opportunity to foster the development of values such as solidarity, sharing, and openness to the world through the themes addressed.

**Students take great pride in their participation in this project which brings together children from different countries.**

La Dictée P.G.L. isn't just a fun and enriching experience—it is also an opportunity to participate in stimulating competitions at the local regional, and international levels.

# THREE WAYS

## to participate

La Dictée P.G.L.'s goal is to get the greatest number of students possible involved in this inclusive and unifying project. Choose from three different ways to participate:

1

### With P.G.L. Raise Funds to Share

Students raise funds within the framework of a sponsored dictation. This option allows participating classes to keep up to 50% of the amount that they raise to carry out their own educational activities. The other 50% allows the Foundation to further its educational programs.

---

2

### Without P.G.L. Raise Funds to Share

Schools who would like to participate in the project without having to participate in the fundraiser will be able to do so and receive free access to our educational tools and this year's competitions.

---

3

### With a flat-rate contribution

The school pays a flat-rate fee per registered student which allows the Foundation to further its international educational programs.

# P.G.L. RAISE FUNDS TO SHARE

When participating in La Dictée P.G.L., schools can contribute to the project through the P.G.L. Raise Funds to Share fundraiser.

## What is it?

The P.G.L. Raise Funds to Share fundraiser is the essence of La Dictée P.G.L. It is an opportunity for students to practise solidarity, sharing, and cooperation while bringing concrete support to children around the world.

## How does it work?

**The P.G.L. Raise Funds to Share** campaign is the fundraising component of the sponsored dictation. This dictation is an exercise found in the Teaching Guide. Each student's mission is to have their dictation sponsored by their parents. We recommend donating to the P.G.L. Raise Funds to Share fundraiser based on the number of words the students write correctly.

## Significant financial benefits for participating schools

Classes that participate in the P.G.L. Raise Funds to Share fundraiser see significant financial benefits through La Dictée P.G.L., while students use their French skills to raise money. Of the money raised, half is kept by the school for educational activities. The Foundation receives the other half which it uses to further its education programs abroad.

Since 1991, nearly **\$13,497,067** of the \$30,659,653 raised through the P.G.L. Raise Funds to Share fundraiser **has been invested** in projects at participating schools!

**The P.G.L. Raise Funds to Share fundraiser is a unique opportunity to transform students' knowledge into a global citizen experience and give them the opportunity to become links in the chain of human solidarity.**

➤ **A REVAMPED PARENT'S WORKBOOK** to make raising money easier for schools

**Did you know that when you participate in Raise Funds to Share fundraiser, your school can keep up to 50 % of the amount collected for your educational projects?**

# Quality education FOR ALL, AT HOME AND ABROAD

Since its creation in 1991, La Dictée P.G.L. has provided funding for the Fondation Paul Gérin-Lajoie's many projects. Thanks to the money raised through the P.G.L. Raise Funds to Share fundraiser, the Foundation is able to achieve its ambitions abroad, especially for girls and women.

## The ÉDUFAM project

By 2024, the program aims to:

**Contribute to equal access for the most vulnerable girls and teenagers to an inclusive education at the primary and secondary levels:**
